For over three quarters of a century Laurens and Marathon had schools independently. When the voters of both districts decided to consolidate, no student was completely sure that he wanted to give up his old school and the memories that went with it. But, over the feelings of fear, apprehension, and anticipation, the students as well as staff worked together to form a new school that few would be ashamed of. So, to this new school, we the editors, wish to dedicate this edition of the CHARGER; to the memories of the 1976-77 school year, and to the future years, students, and memories.

EXCHANGE

STUDENTS

This year we received an exchange student from Landsmeer, Holland. Her name is Sylvia van der Maas and she is staying with the Larry Lawman family. She has been here all year and has been taking most Junior classes, although in Holland she has already graduated.

Some of her classes include government, English composition, English II, and American history. She went out for track this spring and was able to participate at a few track meets.

She says that our school system is fun although the way we have classes isn't as fun as in Holland. But she says that the other things going on are a lot more fun here.

Sylvia says that she has a lot of memories, some good and some bad, but from all of them she has learned a lot.

SYLVIA VAN DER MAAS

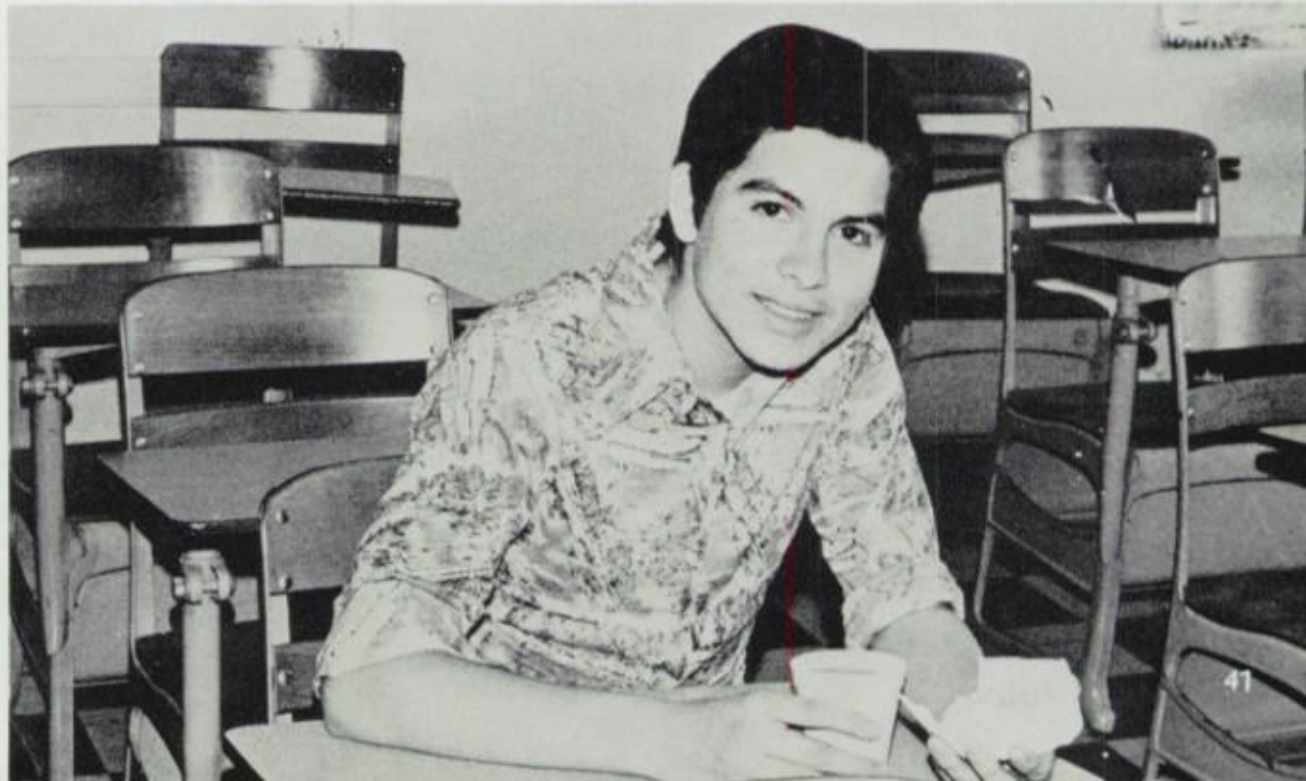

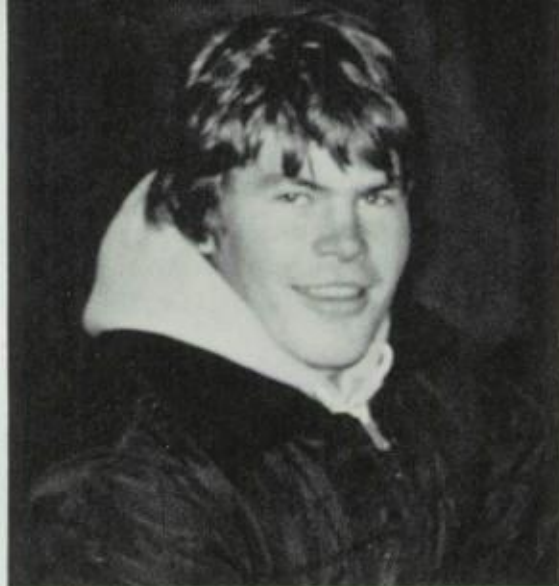

This year at semester break we were joined by Bayardo Pastora, an exchange student from Leon, Nicaragua. He stayed with the Norris Olney, Jr. family in Marathon. He will be going to college next year in Nicaragua.

Some of his classes include biology, American History, P.E., algebra I, English 9, and Spanish. He says our school system is different, because it is a lot more fun.

Some of his memories include: The prom, the foreign language festival in Cedar Falls, American football and basketball games. He says he likes American girls, the snow and the language too.

John Sones - 1st Team All Conference.

The summer softball and baseball teams initiated a new era for the new school. Starting in May, the players began practicing together. For both teams, meeting and playing with new people was an experience that will not be soon forgotten. The kids that were out for the summer sports found the growing experience just a few months before the entire student body combined. The summer athletics became a bridge that successfully bonded the two separate schools into a very strong new school!

KELLY GOES TO STATE

This year for the second year in a row, Kelly Griffin went to the state wrestling tournament in Des Moines. Because of an injury early in the season, he was beaten in the first round, 19-6. Most of the team went to Des Moines to support Kelly. Our congratulations to Kelly for a fine season and his second trip to state.

This year the student council was very active. They were in charge of Home-coming activities. They conducted the coronation and decided the daily mode of dress. They also sponsored the dance.

They also attended the Twin Lakes Conference student council workshop. This was held in Rockwell City.

At Christmas they furnished and decorated a tree.

At the end of the year they sponsored a computer dance.

Our congratulations to Miss Stelter and the student council for a job well done!

CHARGER CHALLENGE

The co-editors for the 76-77 Charger Challenge were Jolene Mathison and Eileen Murray. They worked very hard trying to keep the staff writing their articles and getting them in on time. With the guidance of the LAURENS SUN and their advisor, Peggy Milton, they had a very successful year. Some of the different areas covered in the school page were senior and teacher interviews, question of the week, sports, organizational news, and weekly happenings.

Front Row: Kris Mefferd, Eileen Murray, Jolene Mathison, Joanne Anderson, Mrs. Milton. Second Row: Gwen Conklin, Lora Devereaux, Terry Robinson, Cindy Ferguson, Joni Kampen, Pam Tinius, Nancy Newell. Third Row: Diana Gustafson, Russ Johnson, Jeff Siddall, Diane Meister, Tami Nystrom.

This year Mr. Liljedahl and the concert band presented four concerts. The first was the Christmas Concert. Nothing unusual happened except that someone forgot his folder, so Brenda had to leave during the concert to get it for him. Right, Kirk!

Next, a concert was held to relieve the midwinter slump. Unfortunately it failed. The Spring Concert presented us with a soloist from Poky. The last concert was presented to the elementary. Roddy had a solo that was enjoyed by all.

Finally you have reached the last page of the 1977 CHARGER. As you can see, the editors are not in the least bit excited about getting done.

It's been fun working on the first annual of the Laurens-Marathon High School. We would like to thank Burt Ameriard for the cover. Our thanks also to the LAURENS SUN and Greg Olson, and to Pat Storr for their help. We would like also to thank Buntrock-Salie Studios for the Homecoming, graduation, and end-sheet photos.

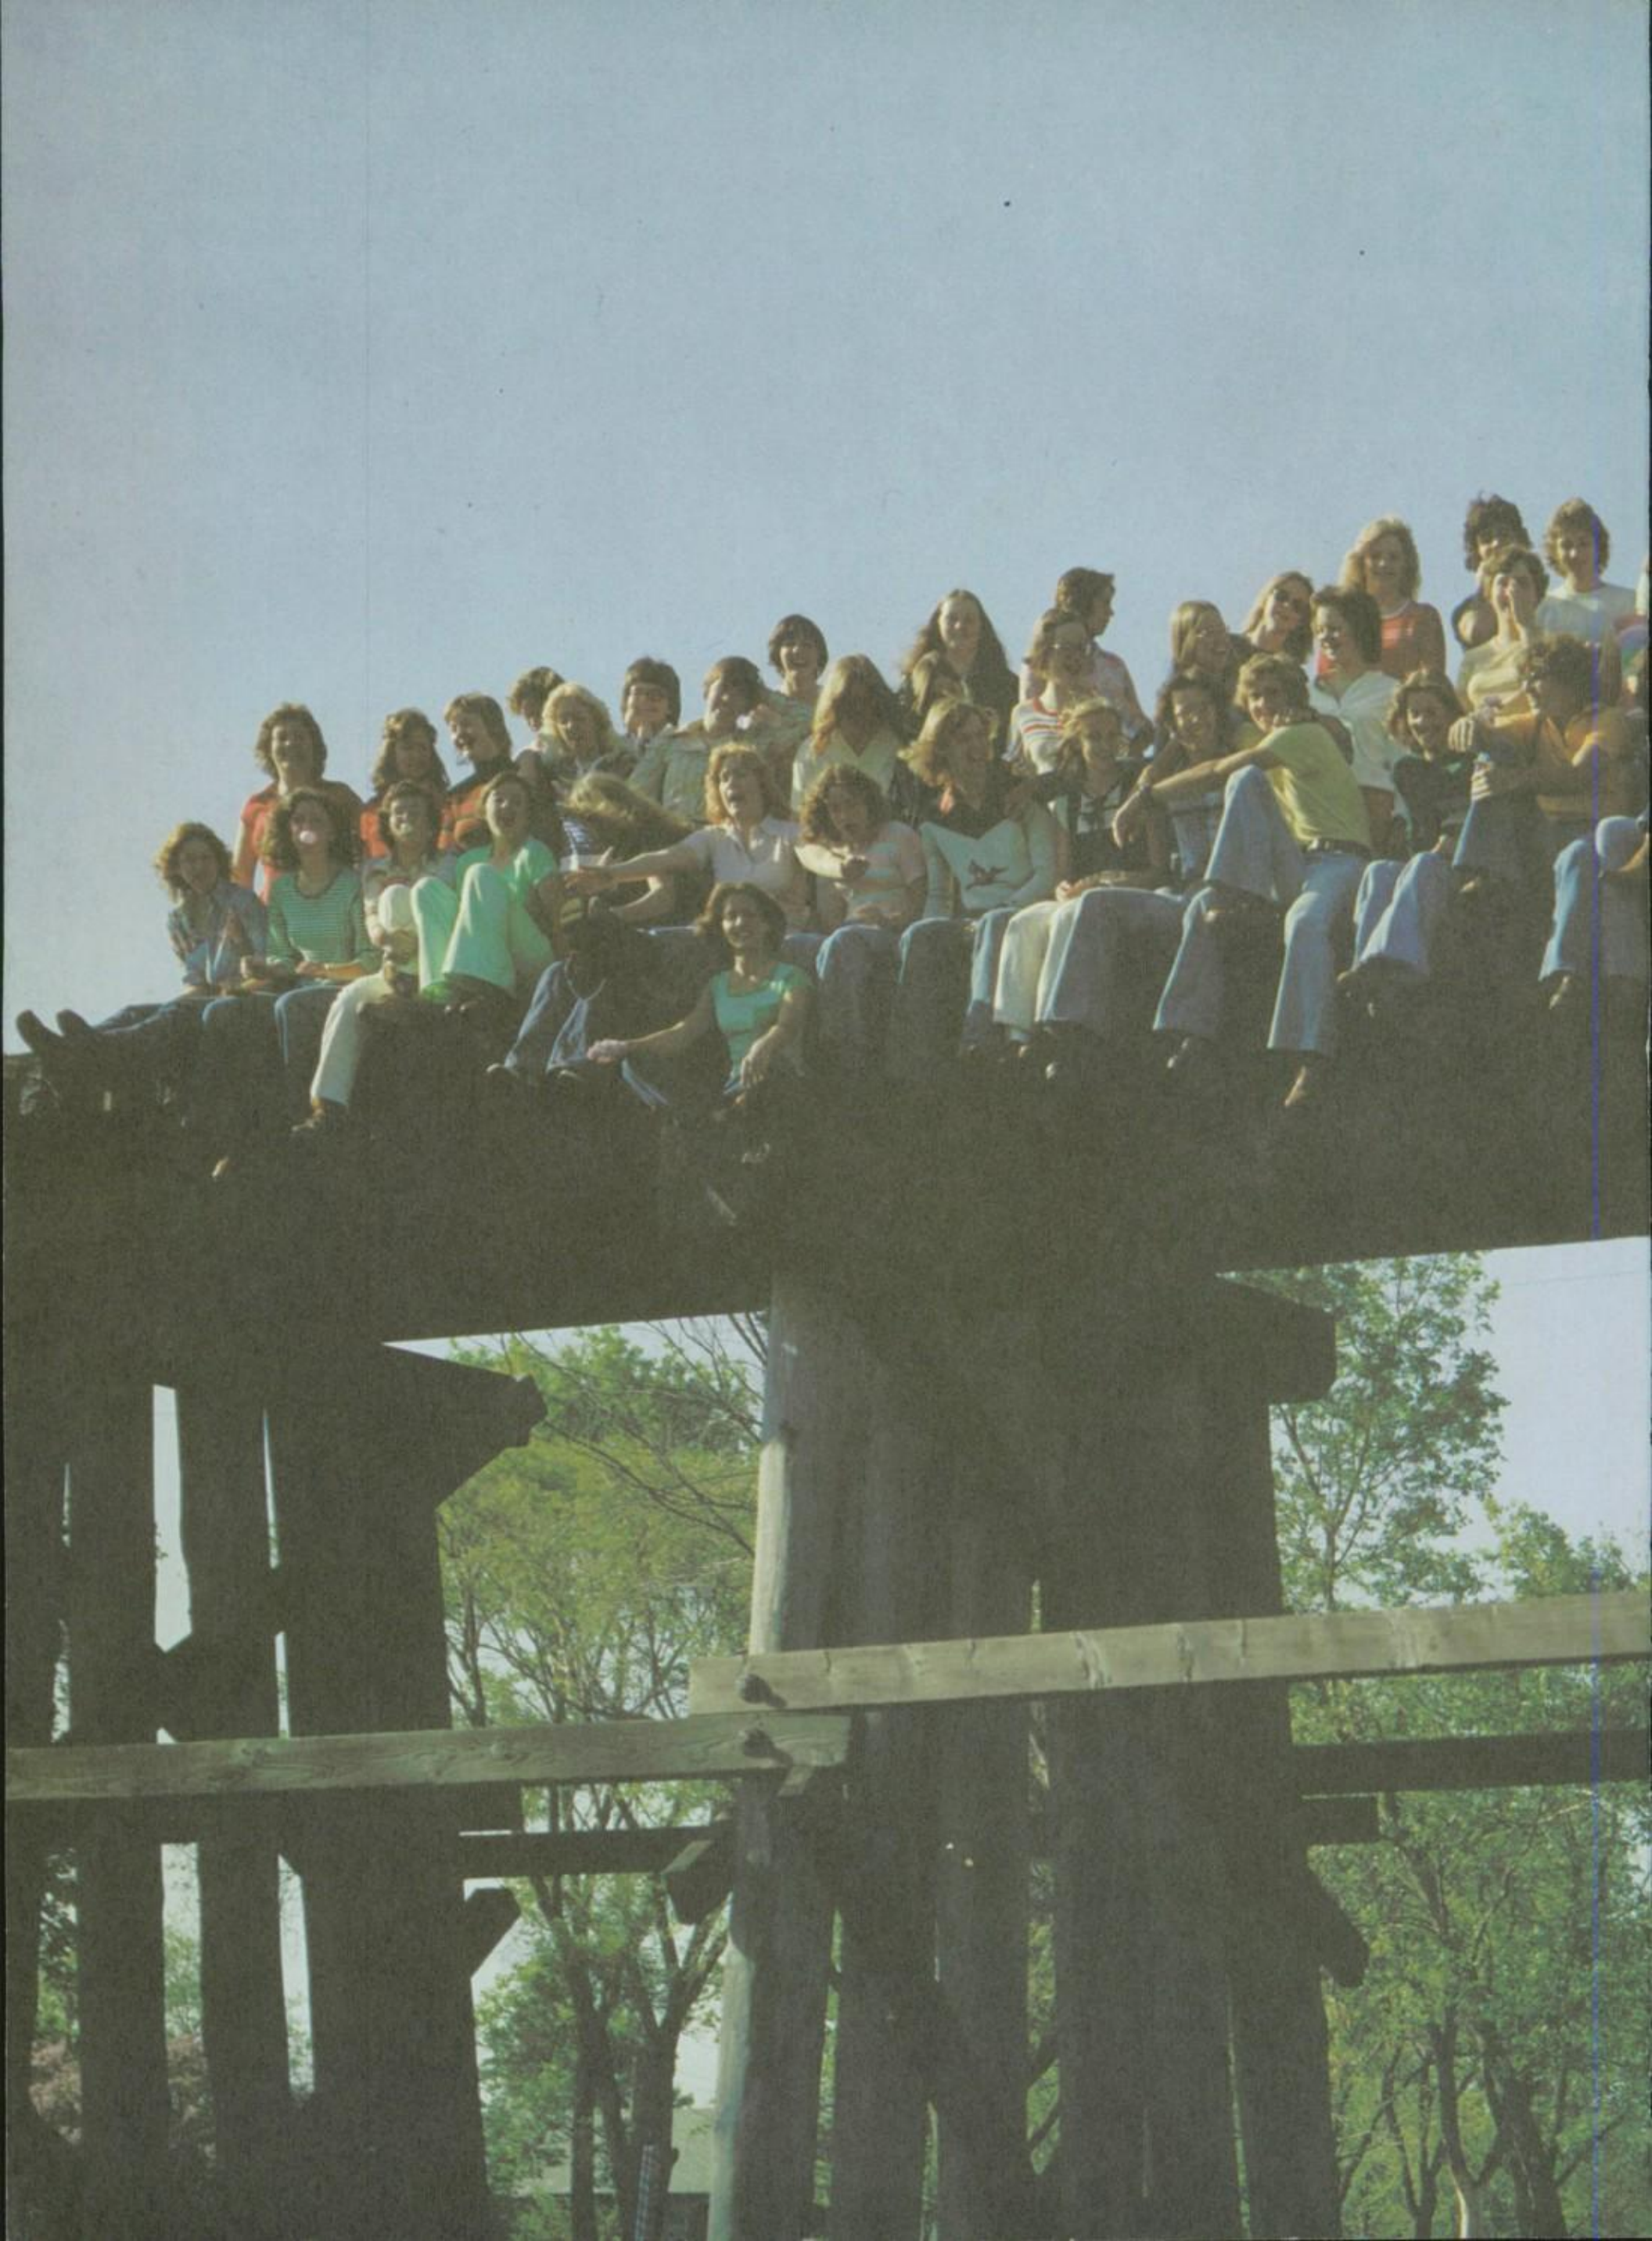

Special thanks to Mary, Russ, and Bill for their extra help. And finally our very special thanks to Miss Stelter for putting up with us and for making this annual a success.

We hope you've enjoyed it!
